

Product Specifications: **Eastcoast Soft 35mm**

Type	Tufted synthetic grass carpet
Yarn material	PE Monofilament +PP curled yarn
Yarn type	8500 / 8F Dtex PE+3500 / 8F Dtex PP
Yarn thickness	131 micron
Yarn quality	Environmental friendly, UV stabilised, free of lead and cadmium
Primary backing	100% Double PP black, UV stabilised, weight 220 grams/m ²
Secondary backing	Black latex compound with a base of styrenebutadiene (SBR), with drainage holes, weight 1430 gr/m ²
Tuft guage	3/8"
Pile height	35 mm (±4%)
Stitches per 10cm	18 (± 4%)
Total stitches per m²	18,900
Filaments per m²	604,800
Face weight	1,700gr/m ² (±4%)
Total weight	3,350gr/m ² (±4%)
Colour	4 Green
UV stability	Meets EN ISO 4892-3:2006 Standard
Colour fastness	EN ISO 20105-A02 test: greyscale > 4
Water permeability	60 litre/min
Infill recommendation	infill (optional 15kg/m ²)
